**SIXTH REPORT AND RECOMMENDATION OF  
THE SPECIAL DISCOVERY MASTER AS TO  
GSK'S CASE-SPECIFIC PROFILE PRODUCTION**

---

Pretrial Order No. 28 sets forth the procedures regarding discovery disputes and directs the parties first to present discovery disputes to the Special Discovery Master for informal mediation efforts. Over the past few months, the parties have met and conferred in an attempt to agree on the procedures governing GSK's production of Case-Specific Profiles. At a conference held with the Special Discovery Master on May 22, 2009, the parties resolved their final disputes over the Profiles. As a result, the Special Discovery Master recommends adoption of the Case-Specific Profile Production protocol agreed on by the parties and set forth in the proposed Pretrial Order attached hereto as Exhibit A.

Dated: May 27, 2009

/s/ Jerome J. Shestack

Jerome J. Shestack, Special Discovery Master
